

# A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kleso Cured After Seven Month's Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my house work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—Mrs. KARL A. KLESO, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. JOSIE COOPER, 1668 Harrison Ave., Fairmount, Cincinnati, Ohio.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## ITEMS FROM TRIGG

Cadiz Record.

Jake Sizemore, of near Wallonia, raised five acres of tobacco last year which weighed out 6,030 pounds. He received \$693.45 for the crop.

White chickens and red hogs are growing into more popular favor every day. The cows are still dividing honors among the white-face, the blacks and the reds.

Judge J. Bell Kevil, a former citizen of Trigg county, died on March 10th, at Sikeston, Mo., where he had lived for about a year. He went from Marion about a year ago. He was a native of Caldwell county, but spent a number of years in Trigg and many years ago made the race for Representative in this county. He also owned and operated Little Mill, about seven miles east of Cadiz.

Trigg county has adopted White Wyandotte chickens and Agent Varney says: "We are surely going to have the record for White Wyandotte eggs for setting among all the counties that are putting these eggs in this spring. These eggs are furnished by Trigg County Farmers Bank, and to date we have placed 1,138 settings of thirteen eggs each, or 14,798 eggs. We have a place or two to visit yet, and that will put it around 17,000 eggs. I have never seen so much interest anything as this, and if our people will follow their lead now, they will soon be more famous for their poultry than they are for their hogs."

## RAILROAD'S APPEAL

The appeal of the F. C. Railroad Co. vs. the Meacham Contracting Co., is set for Monday, April 9, in the Court of Appeals. It involves the cost of constructing the Tenth street sewer through the Railroad property.

## Mark Twain's Rented Kittens.

A part of Mark Twain's entertainment (while at Dublin, N. H.) was a trio of kittens which he had rented for the summer—rented, because then they would not lose ownership and would find home and protection in the autumn. He named the kittens Sackcloth and Ashes, Sackcloth being a black and white kit, and Ashes a joint name owned by the two others, who were gray and exactly alike. All summer long these merry little creatures played up and down the wide veranda, or chased butterflies and grasshoppers down the clover slope, offering Mark Twain endless pleasure.—From "The Boy's Life of Mark Twain," by Albert Bigelow Paine, in St. Nicholas.

## "Boomer" Means Fifteen.

A strange set of numerals was used by the elder generation of farmers in one of our northern states, especially for counting sheep, and the procedure was as follows: A gap was made in the wall just wide enough to admit one sheep at a time, and as the sheep were driven through the farmer would count them, making a notch in his stick at every fifteen. Phonetically the numerals sound like "yann, tane, tether, methur, plp, sax, sane, catterer, wheeler, dick, yann-er-dick, tane-er-dick, teth-er-dick, methur-er-dick, boomer, fit." "Boomer" was fifteen, and so a notch was made in the stick, and the strange chant began all over again.—London Chronicle.

Miss Roberta Mann was drowned while trying to cross a swollen stream at Jamestown, Ky., riding behind her brother-in-law. The horse fell and the girl was swept away.

## No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of ROYAL Baking Powder, about a teaspoon, in place of each egg omitted.

### EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar  
1 1/2 cups water  
1 cup seeded raisins  
2 ounces citron  
1/2 cup shortening

1 teaspoon nutmeg  
1 teaspoon cinnamon  
1/2 teaspoon salt  
2 cups flour  
5 teaspoons Royal Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan (round tin with hole in center is best) for 35 or 40 minutes. Ice with white icing.

Booklet of recipes which economize in eggs and other expensive ingredients, mailed free. Address Royal Baking Powder Co., 135 William Street, New York.

## In 14th Century.

The house of Romanoff, overthrown by the Russian revolution, is descended from Andrei Pomanoff, who is said to have gone to Moscow from Prussia in the 14th century. Mikhail Fedorovitch Romanoff was the first of the family to ascend the throne. This was in 1613, when he was 17 years old. He died in 1645. The direct male line of the Romanoffs terminated in 1730 and the female line in 1762, when the Holstein-Gottorp branch came into power and has since ruled.

## Champion Layer.

Lady Walnut Hill, pullet No. 707, Thursday laid her seventy-sixth egg in the Federal egg-laying contest at Lexington. The time was six hours earlier than the usual time for the past few days, and is taken to mean that the little pullet is in excellent condition. The pullet White Leghorn has a sister in the contest that has laid only three eggs for the month.

The Sears-Roebuck Company, of Chicago, have just closed a contract for 120,000 tons of catalog paper for their 1917 trade. Its business amounts to \$135,000,000 annually.

## FUNERAL HERE.

Rev. J. Barney Butler's Body  
To Be Buried At Riverside  
Sunday.

The remains of Rev. J. Barney Butler, who died at El Paso, Texas, Wednesday, were expected to arrive here last night, or sometime to-day at furthest. The funeral will be held in the Methodist Church at 2:30 o'clock to-morrow afternoon.

The interment will be at Riverside Cemetery, in this city.

**M. J. FANNING.**

The noted Irish orator, Mr. Micheal J. Fanning of Philadelphia, will be here to-morrow, March 25th., under the auspices of the W. C. T. U.

He is a man of exceptional powers on the platform. In his youth he was led to consecrate his life to warfare against the liquor traffic. For nearly half a century he has traveled about our country and Canada in pursuance of his life's work, probably making more speeches (more than 19,000) against the saloon during these years than any other living person. He stands to-day with few equals, and certainly no superiors, on the temperance platform. Everybody is very cordially invited to hear him.

"He will please, instruct, and convince the most cultivated audience."—Samuel Dickie.

"I have heard some of the ablest temperance lecturers in this country, but, all things considered, I think I have never heard the equal of Mr. Fanning."—Rev. C. C. Fisher.

He will address a mass meeting at the Christian Church at 3 o'clock Sunday afternoon and will speak again at the Methodist Church at 7:30 p. m.

## Something About Schubert's Hopkinsville Conservatory of Music

Nashville.

Dear Mr. Schubert:

It gives me pleasure to compliment you regarding your accompaniment of the first movement of the Mendelssohn Concerto last Friday, and to tender my thanks for your graceful offer of service to me on that occasion.

With cordial regards,

Believe me, sincerely yours,

The Great Violin Virtuoso.

(Signed) CAMILLA URSO.

Chicago.

Dear Mr. Schubert:

I feel I must write and tell you how glad I was to play in Nashville again after so many years, and how astonished I was to notice the great improvements as to the artistic musical life to which I am sure you have greatly contributed by the influence of your school, which is founded on the best principles that will certainly increase the musical atmosphere. I was so pleased to have met some of your colleagues who help you in your undertaking for the benefit of the art, at the same time let me express my very best thanks for the trouble you have taken during the evening to accompany me in the way you did.

Hoping to have the pleasure of playing with you again very soon, with kindest regards, believe me,

Yours very truly,

One of the Greatest of Violinists.

(Signed) EMILE SAURET.

New York.

Dear Mr. Schubert:

I desire to express my appreciation of your very great kindness to me while I was in your city. I wish, also, to tell you the esteem in which I hold you as a musician. Nashville should be proud indeed to have as its benefactor a musician of your native ability, industry and progressiveness. This country needs just such talented and straight-forward men as you to bring about the spirit of musical enthusiasm, and the so-called "musical atmosphere" which we know only in Europe and which this splendid country must have before we can justly be called the musical nation.

Permit me to express the wish that you may speedily attain to the highest standard towards which you are striving, and that you may continue to receive the recognition and encouragement which your endeavors merit.

With kindest greetings, I am

Very sincerely,

(Signed) CLAUDE A. CUNNINGHAM,

The Renowned Baritone.
